

SGF PRESS RELEASE NO. 1 - 19TH OF JULY 1999 -

Young Space Professionals converge on Vienna for UNISPACE III

Vienna--The Space Generation Forum (SGF) is the opportunity for young professionals and university students of the world to express their visions and perspectives to the leaders and decision makers of the space sector including administrators of space agencies and other high ranking officials.

More than 150 participants from over 60 nations, on the average between 25 and 35 years of age.

Organized by alumni of the International Space University (ISU).

Opening Ceremony of the Space Generation Forum (SGF), Hall E, 14:00-15:00.

Live link-up with Cosmonauts Viktor Affanassiev, Jean-Pierre Haigneré and Serguei Avdeiev, participating in the on-going PERSEUS mission on the MIR Space Station.

Video address by Sir Arthur C. Clarke, Chancellor of the International Space University, renowned scientist and science fiction author.

The Space Generation Forum is a forum for young space professionals organized by the alumni of the International Space University with the aim to express the visions and perspectives of the youth with regards to future space activities. The Space Generation Forum is attended by over 160 participants from more than 60 nations.
